Dear colleagues!

By the present I invite you to take part in the 1st edition of the International university tournament of kickboxing, which will be promoted in Russia in the city of Ufa. Students are important and this event can focus on them solely.

Russia, one of the strongest countries in this area, having many different universities and as in many other countries, a large number of students exercise a martial art, including a kickboxing.

We hope that this event can be a positive approach to also create WAKO activities in a broader perspective and for developing the quality for WAKO towards higher international recognition.

Espen Lund
WAKO Acting President

Dear friends!

We wait for you on the first International university tournament of kickboxing which will take place from July 12 to July 17, 2014 in Russia in the city of Ufa, in one of the most known university cities of Russia.

Russia has rich university traditions, good student's base for carrying out not only Russian competitions, but also the championships of world level.

We hope, having arrived on this event to Russia, you learn a lot of new and interesting about not only Russia and its rich culture, but also scientific approaches in the field of student's martial arts!

Yuriy Ryindin,
President
Federation Kickboxing of Russia
